

VISA APPLICATION

FOR NEW INTERNATIONAL STUDENT DURING THE PANDAMIC COVID-19

Since new international students are not allowed to physically enter the country, no **Electronic Visa Approval Letter (eVAL)** will be issued by the Malaysian Immigration Department from now until further notice.

However, new students are required to **submit application for eVAL** and this can be done at the Education Malaysia Global Services (EMGS) website at <https://educationmalaysia.gov.my> after receiving the offer letter from UM (a processing fee will be charged upon submission of the eVAL). Latest guideline and updates on the eVAL application is available at <https://educationmalaysia.gov.my/visa-new-application/>.

Students are advised to monitor the progress of eVAL application. Once it reaches **32%** (IM14U – Document ready for submission to Immigration), EMGS will issue an **Approval Letter** and students need to upload the letter to **MAYA** portal before starting online registration on 5th October 2020.

Students will not be allowed to register at **MAYA** portal until the **EMGS Approval Letter** is uploaded. Please note that **NO PHYSICAL ENTRY** to Malaysia is allowed at this point in time. This means students are **to remain in their country of origin** until further notice and register from home country.
